

10 YEARS LIMITED WARRANTY

This warranty in favour of the buyer (Client) integrates the order confirmation and the general conditions of sale, except if otherwise agreed. This warranty is valid only with regards to UV protected **SOLID CORRUGATED SHEETS** sold and installed in **EUROPEAN COUNTRIES** with a minimum **NOT LOWER THAN 0,8 mm**

A) VALIDITY

The warranty covers all multiwall polycarbonate sheets with UV protected layer, produced by POLYWORLD SYSTEMS Srl, for 10 (ten) years starting from the date of delivery.

B) WEATHERABILITY & BREAKAGE DUE TO HAIL

- The yellowing index of the sheets, measured in accordance with the standard ASTM D 1925, will not decrease more than:
 - 10 (ten) Δ for colourless sheets
 - 14 (fourteen) Δ for coloured sheets with respect to the initial value. The test must be carried out on clean, scratch-free and dirt-free sheets.
- The light transmission, measured in conformity the standard ASTM D 1003, will not decrease more than:
 - 6 (six) % for colourless sheets
 - 12 (twelve) % for coloured sheets with respect to the initial value. The test must be carried out on clean, scratch-free and dirt-free sheets.
- The sheets will not be affected by breakages due to hail where "breakage due to hail" means that the external layer of the sheets presents in an even and diffuse manner, holes caused by hail. In case of breakage, a sample of the claimed sheet will be subject to the execution of a simulated crash test by means of standardized artificial sphere of a diameter of 20 mm which shall hit the sheet with a speed of 21 m/s. Should such test not produce evidence of breakages on the external layer, the claim will be rejected.

C) WARRANTY TERMS AND CONDITIONS

This warranty applies only if the end-user provides a written warning of the defect to POLYWORLD SYSTEMS Srl:

- within 6 (six) days as of the discovery of the defect
